**CARHARTTS**

---

**1.0 SCOPE**

The State of Montana has established a nonexclusive term contract with a single vendor to supply Carhartt clothing. Only Carhartt products will be considered; alternative brands will not be accepted.

*The intent of this contract is to provide state agencies with an expedited means of procuring supplies and/or services. This contract is for the convenience of state agencies and is considered by the Purchasing Bureau to be a "non-exclusive" use contract. Therefore, agencies may obtain this product/service from sources other than the contract holder(s) as long as they comply with Title 18, MCA and their delegation agreement. The Purchasing Bureau does not guarantee any usage.*

The term of the original contract will be two years from date of award: May 11, 1998 through May 10, 2000. Bid prices must remain firm for this period.

The contract may, upon mutual agreement between the parties and according to the terms of the existing contract, be extended for an additional two year interval. Bids must indicate the rate of increase, if any, proposed for the renewal period.

This extension is dependent upon legislative appropriations and in no case may this contract run longer than a four year period.

**2.0 PERFORMANCE REQUIREMENTS**

**2.1 Ordering/Sizes**

Supply Carhartt clothing, F.O.B. Destination, and on an "as ordered" basis.

Accept toll-free telephone calls or written orders directly from agencies based upon the terms, conditions, and specifications in this document. Provide toll-free number: 800-222-1474.

**2.2 Delivery**

Indicate proposed delivery time-frame and shipper to be utilized for standard "in-stock" items: 30 days. Delivery will not be accepted over 30 days ARO.

The minimum dollar amount for orders is \$100.00. Orders of this amount or over will be shipped F.O.B. Destination, with all freight charges included in the bid pricing. For orders under \$100.00, or for rush orders, the shipping charges will be prepaid and added to the invoice as a separate line item.

**CARHARTTS**

---

**2.3 Billing/Payment**

Separate accounting/invoicing will be maintained for each ordering agency. Invoices will describe individual items ordered, with the unit price and extension included.

The ordering agency agrees to issue payment within 30 days of receipt of properly invoiced, correctly shipped, correctly sized, defect-free, items.

Payment will not be made for any item with which a problem exists until the problem is resolved to the satisfaction of all parties.

**2.4 Backorders**

The successful vendor will notify the agency immediately of any backorders. Upon sole discretion of the ordering agency, orders for backordered items may be canceled or a mutually acceptable future delivery date negotiated.

**2.5 Guarantee**

All items will be covered by a minimum 90-day replacement/money back guarantee against incorrect sizing, fading, stitching or seam failure, fabric failure, pilling and warping under normal daily wear by the organization to whom the purchase order for the item is issued. The 90-day guarantee period will begin on the date of delivery of each item.

**2.6 Return Policy**

Defective, incorrectly sized or otherwise unacceptable items received may, upon agency discretion, be returned for exchange or request credit in full.

There will be no penalty for products returned due to contractor error or receipt of damaged or incorrectly sized goods. Contractor to pay return postage.

Indicate here if there is a restocking fee for items returned due to agency error: 20%. Agency to pay return postage.

**2.7 Term Contract Reporting**

Annually, the successful vendor will submit to the Purchasing Bureau a written profile detailing items purchased, quantity and F.O.B. points for all contract items provided during the contract year.

**CARHARTTS**

---

**2.8 Cooperative Purchasing**

The bidder/contract holder agrees to provide public procurement units, meeting the conditions of Section 18-4-402, MCA, with the offered supplies and/or services, per the prices, terms, and conditions of this contract.

**2.9 Procard Acceptance**

The State of Montana has implemented a Procurement Card (GE MasterCard) Program to give agencies the ability to charge purchases made from these contracts. The State of Montana prefers this method of payment.

**3.0 SPECIFICATIONS, SIZES AND PRICING**

The items provided shall meet or exceed each of the requirements and specifications listed below. Products not meeting agency specification and performance requirements will be returned at vendor's expense.
